

TOP Guava

Top Ivy panels are perfect for patio, garden, walkway, and yard fencing. They are long-lasting, lightweight, and non-toxic. The artificial boxwood topiary hedge plants are UV-resistant, weather-resistant, low-maintenance, eco-friendly, and these green panels are made of recyclable high-density polyethylene (HDPE) that is soft to the touch.

SKU	A194
Length	20"
Width	20"
Density	400 (leaves)
Weight(g)	1.24 lbs
Qty/box	12 pcs
Box Size(inch)	22x22x13
Color	Green
Material	100% Polyethylene
Features	Safe & UV Resistant
Indoor/Outdoor	Indoor & Outdoor
UV	≥5000H
Construction	Frame+ Leaves
